Proudly maintaining its ethos of promoting the next generation of artists, the Atkinson Gallery presents the annual MA & Other Post Graduates contemporary art show – now in its 16th year. Showcasing the work of students who express particularly fresh, innovative ideas, the exhibition reflects the talent and wide range of work being produced in art schools today, and is never shy of prompting debate.

MA & Other Post Graduate artists have been selected from 12 of the top art universities around the country (listed below), and invited to exhibit their work at the Gallery.
